QUESTIONS PRESENTED

1. Why the People of the United States are not allowed to vote whether or not they want Prayer back in the Public Schools?

2. Why the People of the United States are not allowed to use a solution that would satisfy the majority of God's People in having Prayer back into the Public Schools?

3. How can the Supreme Court sleep at night after hearing about Kids being Shot in Schools? And how can the Supreme Court not try to find a way for God's Spirit to be put back into the Public Schools?

4. Do you really understand Psalms 127:1 and Proverbs 3:5-7?*

---

* Psalms 127:1

Except the Lord build the house, they labor in vain that build it: Except the Lord keep the city, the watchman waketh but in vain.

The King James Version

5. With all your heart you must trust the Lord and not your own judgement. 6. Always let him lead you, and he will clear the road for you to follow. 7. Don't ever think that you are wise enough, but respect the Lord and stay away from evil.

IN THE
SUPREME COURT OF THE UNITED STATES
PETITION FOR WRIT OF CERTIORARI

Petitioner respectfully prays that a writ of certiorari issue to review the judgement below.

OPINIONS BELOW

For cases from **federal courts:**

The opinion of the United States court of appeals appears at Appendix A to the petition and is unpublished.

The opinion of the United States district court appears at Appendix B to the petition and is reported at *Federal Rules 77 or 49.*

JURISDICTION

For Cases from **federal courts:**

The date on which the United States Court of Appeals decided my case was October 12, 2001.

The jurisdiction of this Court is invoked under 28 U.S.C. § 1254(1).

CONSTITUTIONAL AND STATUTORY PROVISIONS INVOLVED

According to the 14th Amendment, no state shall make or enforce any law which shall abridge the privilege or immunities of citizens of the United States; nor shall any state deprive any person of life, liberty or

property without due process of law, nor deny to any person within Jurisdiction the equal protection of the law.

Deprive means – to take away from, to withhold

Liberty means – freedom[1]

Life – also means an adaptation to environment

God's children have been deprived from prayer in the public schools and have become captive to violence and bondage to fear. Prayer is free will. Violence and fear is an external control and inference. God's children should not have to admit to violence and fear, when prayer protects. That is an insult to God.

Education in the United States public schools is the beginning, present and future of the livelihood of the citizens of the United States. God's Spirit should be at the head of it every day. God's Spirit helps his children to choice life.

According to the History of the United States public schools by Stone Cajun Films (1-800-343-4727); since 1990, over 200 shooting deaths have occurred in the public schools. God's Spirit has to be activated and invited in through prayer at the location where it is needed. You cannot use any other locations to pray for the public schools but the public schools. All occasions have its own prayer.

---

[1] Without God's Spirit there is no liberty.
Isaiah 61:1-3 II Corinthians 3:17

STATEMENT OF THE CASE

1. If the Citizens of the United States have the right to Vote for the President of the United States and other Officials, then the Citizens of the United States should have the right to vote whether or not they want Prayer to be in the Public Schools. Voting was formed for People to express their wish or preference on candidates for Public Office or on Public Issues. Whatever goes on in the Public Schools are Public Issues.

2. Prayer begins at home. We know Prayer should begin at home. But, what about the Foster Child going from one home to another. What about the Children who want to commit suicide because of domestic violence. What about the Children who take matters into their own hands and try to kill their fathers because of domestic violence.

Children who witness Domestic violence, strike back with violence. By the time they are an adult they have developed a Mental Problem, Domestic Violence helps children to want to Commit Suicide as young as seven years old. Domestic Violence is running a cycle of 3 Generations. Some kids feel that if it takes going to Jail to stop Domestic Violence, they want to go.

If more than a million women are involved in Domestic Violence in a year and they have children, there might be as many as 3 to 5 million Children involved in Domestic Violence. Children calling 911 are between the ages of 8 and 10 years old for Domestic Violence. Some Kids blame their mothers because they feel that their mother should have left their fathers or her man a long time ago. This information about Domestic Violence comes from a Documentary aired 11-6-00 on Lifeline. They allowed the children to express theirselves.

3. Prayer gives God's Children Hope, Faith, and Love. Children need to be reminded of this everyday. Not to give up. Don't loose hope. Keep the Faith and Somebody does Love You.

CAUSE OF ACTION

Citizens of the United States of America should be given the right to vote to have or not to have Prayer in the United States Public Schools.

1. Support Prayer Rallies..... Of all races, church denominations and other concerned citizens to reinstate Prayer in the United States Public Schools.

2. Registered Voters..... Of all races, church denominations and other concerned citizens to sign a petition to reinstate Prayer in the United States Public Schools.

3. Resolution .... VOTERS BALLOT:
For all races, church denominations and other concerned citizens to reinstate Prayer in the United States Public Schools using the Book of *Psalms* and *Proverbs*.

4. There is a Solution for having Prayer in the Public Schools. The Majority of the Denominations believe in the Book of Psalms and Proverbs. The Book of Psalms are Prayers, Clergymen can read Psalms every day. They do not have to add to or take away any word. Just read it from the Bible. A thought from Proverbs could be read. Nothing added or taken away. Closing Prayer could be Psalms 23, "The Lord is my Shepherd."

Catholics, Jews, Christians, and Jehovah Witnesses, believe in Psalms and Proverbs. Muslims do not have Psalms and Proverbs in their Bible, but they believe in Prayer. Even the Bibles that only have the New Testaments have Psalms and Proverbs.

There are 150 Psalms, this is just a few Prayers.[2]

There are 31 Proverbs. There are approximately 200 School Days, give or take a little. Plenty of Prayers can be provided from Psalms. The longest Psalms have 176 verses that can be divided up.

There are 31 Proverbs that can be divided up for Thoughts and Wisdom.

REASONS FOR GRANTING THE PETITION

IF THERE'S A WILL, THERE IS A WAY

The Population of the United States is 280 million. 27 million do not participate in anything that concerns God. 1.5 million do not believe there is a God. So there are 252 million that recognize God in some kind of way.

We need to start trying to find more solutions that will draw the American People together instead of accepting ways to keep them separated. Together we

stand separate we fail. Out Public Schools are averaging one school shooting a month. As many as 2 or 3 children are dying. And many are injured. We must find a way to keep God's Spirit in the Public schools. And we cannot do it with silent Prayer. God says that if you deny him, he will deny you.

A Child should not have to go through 12 years of public School worrying about security. It does not matter how smart a child is, too much stress can lead to mental illness. Behind negative pressure, mental illness starts between the ages of 16 to 21.

The Public School children today are our future leaders of tomorrow. How much pressure do you think they can handle constantly worrying about being shot at. Until we welcome God's Spirit back into the Public Schools, our Public school Children will continue to suffer more and more.

People change, God does not change. God's word is not a religion. God's word is our life. Please remember how you made it through School, when you were growing up. If you are in your fifties, you had Prayer in the Public Schools.

We know that Prayer and training the Child starts at home. If you would take a survey, all over the United States you will see that for the past thirty years, the Government has had to build bigger jails, more correctional centers, more mental institutions, more mental hospitals, more residential homes for the mentally ill. More nursing homes for children, because of aids, parents using drugs, and mentally and physically being abused. The Government opened up more drug rehab centers and

more methadome center. The women in these facilities are still having babies. A lot of the men left Kids at home. Parents are having so many problems, they are leaving their babies in cars and the babies are dying. Parents are cussing their Kids so much, that the Kids will answer to MF or SOB quicker than they will answer to their own names. Kids need everything that God has to offer in order to try and have a normal balanced life.[3]

According to the history of the United States Public Schools seen on PSC, Channel 11, aired September 4, 2001, presented by the Stone Cajun Films (1-800-343-4727), the United States Public Schools have tried a lot of different programs to give the students a better education. Some worked, a lot of them failed.

You can not teach a child to think unless you give them something to think about. God's words will give his children a positive thought. Proverbs 4: verses 18, 20, and 22

God's word is not a religion, God's word is our life.[4]

Man has a spirit, possesses a soul and lives in a body. Through the spirit the soul controls the mind, will and motions. The body reacts to it. God's Spirit gives man's spirit positive thoughts. Without God's Spirit, man has negative thoughts.

---

[3] Proverbs 3:6. In all thy ways acknowledge him, and he shall direct thy paths.

[4] Proverbs 20: verse 24
Man's going are of the Lord; how can a man then understand his own way?

165,000 students play hooky everyday nationwide because of fear of being hurt or killed in the public schools.

Hazing has become a very serious matter in the public schools.

Hazing – abusive or humiliating tricks and ridicule.

After I received the letter from the United States Court of Appeals, For the Seventh Circuit, I wondered how much more God has to allow the people of the United States to suffer before we stop dismissing the spiritual foundations that God (our Father which are in heaven) led man to set-up and keep to live by. Proverbs 3:6. God's word heals, Psalms 107:20. Using Psalms for Prayer and Proverbs for Thoughts in the United States Public schools will give god's children Faith, Hope and Love. Since September 11, 2001, you got thousands of more children whose lives has been torn apart.

Please read Hosea Chapter 12. Ephraim is our big merchant. Judah is England. Jacob is Isreal and Isreal is the United States. Since September 11, 2001, the stock market has dropped. No one really knows when it will get back to normal.

Please read Ezekiel Chapter 37. If more of God's people had stood around the World Trade Center and the Pentagon reading Ezekiel 37 the first three days of the tragedy, they would have found more people alive. God's words do not lie. God's word heals.

Please read Genesis 25:21-34, Genesis 32:24-32, Malachi 1:105 and Deuteronomy 32:7-10. Jacob is Isreal and Israel is the United States. Esau is Russia. Jacob (Israel) is

the apple of God's eye. So what made God so angry that he allowed harm to come to the United States. The United States needs to check its relationship with God. Since September 11, 2001, the United States is faced with the manifestation of 3 more evil spirits. Terrorism, deadly disease, and more wars. It will take acknowledging him (God) in all thy ways, repenting of our sins against God, reading his word and praying of faith to bring us out of this.

CONCLUSION

The petition for a writ of certiorari should be granted.

Respectfully submitted,

The following is before the court: **MOTION OF THE UNITED STATES ATTORNEY FOR NON-INVOLVEMENT,** filed on September 19, 2001, by counsel for the government.

This court has carefully reviewed the final order of the district court, and the record on appeal. Based on this review, the court has determined that any issues which could be raised are insubstantial and that further briefing would not be helpful to the court's consideration of the issues. *See Taylor v. City of New Albany,* 979 F.2d 87 (7th Cir. 1992); *Mather v. Village of Mundelein,* 869 F.2d 356, 357 (7th Cir. 1989) (per curiam) (court can decide case on

motions papers and record where briefing would be a waste of time and no member of the panel desires briefing or argument).

Accordingly, **IT IS ORDERED** that the motion for non-involvement is **GRANTED** and the judgment of the district court is summarily **AFFIRMED**.
